

Stilettos

black

no sweet as sugar babe pink
or innocence walking blue
or let me soothe your troubles green
or come and get me brassy yellow
never white

smooth

no feisty buckles or giddy bows
or girly tassels or trim gold trim

leather

no crocskin snakeskin pigskin
no lace look or gingham
or flirty dancing satin
or patent

black

okay red if you must

but no stacked glass stacks
or spindly steel pins
no pert snub-nosed fronts
no cut-off squares

heels to die for
toes to kill
clean
mean business leather
and

black
